## AslieMk

### Performance Duo Artists

AslieMk is the performance duo project of Aslı Dinç and Mustafa Kemal Yurttaş where they explore the nature of being duo around the keywords like “psychogeography”, “cosmic”, “ghostly-becoming” and “schizo-creative”. As an art form, they are interested in the mediums in-between performative intervention and performative sculpture including new media, video, photography, audio installations. Among the performances of AslieMk there are; *Post* (1a Space, Hong Kong, 2019), *Secreted Functions* (Top Transdisciplinary Project Space, Almanya, 2019), *Bilocation, Autoscopy, Dedoublement and Other Third Things in Needed: You 672 Hour Live Process*, curated by SimgeBurhanoğlu with Performistanbul(İstanbul, 2018), *Concrete*, with Performistanbul (Art On İstanbul, İstanbul, 2017) *Contact*, with Performistanbul (BLOK art space, İstanbul, 2016), *Move* with NevinAladağ (in collaboration with RAMPA Gallery, Art International, İstanbul, 2015), *Unseen, Pixels of Identities* (Mixer, İstanbul, 2014) and *The Saints of New Age, “AmberFest’13”* (Pasaj, İstanbul, 2013).
